

## FAITHFUL FATHER

E                      B                      C#m                      B  
Father I can't explain this kind of love, this kind of grace

E  
And I know

B                                      C#m                                      A                      B  
That when my life is through my heart will find its hope in You

E              A              B  
This is my song of praise to You

E              A              B  
For who You are and all that You do

C#m              A              B  
From the moment my life began

A B                      A B  
You have been faithful, forever faithful

E  
My Father

E                      B                      C#m  
Father I love the way You hold me close

B  
And say my name

E  
And I know

B                                      C#m                                      A                      B  
That I still break Your heart and yet You run to welcome me
